Trade-marks Journal

Vol. 64 No. 3258

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

spacer brackets of metal; steel tubing; metal flanges; o-rings;elbows of metal for pipes; alloys namely, alloys for welding, fluxes, brazing, spray powder, soldering, and hardfacing; temperature indicating crayons; soldering machines, electric soldering irons, solder, soldering chemicals, soldering flux, soldering irons, soldering lamps, soldering thread, soldering wire of metal ; welding machines, electric arc welding machines, electric welding machines, oxy-acetylene welding and cutting machines, chemicals for welding, electrodes for welding machines, gas welding machines, gas-operated welding machines, gases for welding, welding helmets, welding masks, welding rods, welding torches, welding wire; drill bits storage case; hardware springs; handling equipment, namely, chains of metal, tie-down straps, slings of metal for handling loads and wire rope slings, wire ropes, ropes, , casters; compressed air pumps; hydraulic hammers, hydraulic jacks, hydraulic presses for metalworking, hydraulic pumps, hydraulic turbines; hydraulic steel adapters; cutting tools, namely, drill bits, end mills, reamers, circular saws, countersinks, thread milling cutters for machines, dies, hand held cutting tools, lathe tool bits, and threading machines; hand saws, hand operated saws, band saws, jig saws, metal cutting saws, and saw machines; razors and razor blades, crosscut saw blades, blades for shears, and scissor blades; electric drills electric hand drills, electrical drills, electric hand-held drills, hand-held electric drills; pneumatic rivet installation tools; vehicle equipment, namely, mufflers for motors and engines, suspension systems for motor vehicles, shims, spark plugs, gaskets for engines and motors, level gauges, temperature gauges, gasoline gauges petrol gauges, and vacuum gauges, valves for vehicle tires, pumps as parts of machines, motors and engines, and air pumps of automobiles; fuel injector parts for land and water vehicle engines, automotive exhaust pipes; hand tools, namely, socket fasteners, rivet tools, pliers, cutters, wrenches, saws, benders, brushes, flaring tools, connecting tool, swaging tools, wire stripping tools, heat guns, hand torches, circuit testers, hand lamps, fuse pullers, paint applicators, torches for welding, drive tools, impact sockets, hand-operated electrical tools, screwdrivers, nut drivers, pliers, clamps, scissors, hammers, hand-operated cordless electric tools, inspection tools, namely, mirrors, magnifiers, magnets and telescopic shafts, pry bars, chisels, punches, scrapers, hex keys; hand files; liquid-level gauges, pressure gauges, vacuum gauges, temperature gauges; electrical equipment, namely, electrical wires, electric sealant tape, electrical insulating tapes, electrical power connectors, electrical terminals, solderless terminals, butt connectors, lugs, grommets, snap bushings, switches, cord, outlets, clips, fuses, breakers, electric bulbs, flash bulbs; welding protective gear, namely, clothing, eyewear, helmets, gloves, screens, and blankets; electric storage batteries, general purpose batteries; safety equipment, namely, glasses, goggles, protective face-shields for protective helmets, hats, ear plugs for soundproofing, knee pads, gloves, chemical exposure protective clothing, and clothing for protection against fire, dust protective goggles and masks, gas masks, welding masks, and filters for respiratory masks, safety cans, fire protective clothing, fire protective footware, fire resistant gloves, fire retardant clothing, signs, padlocks, posters, clipboards; battery maintenance equipment, namely, cables, lugs , battery cables, battery cases, battery testers, cable assemblies, bolts, and booster cables; strain relief connectors; electric lamps; flashlights; vehicle wheels and accessories, namely, bolts, nuts, stud installer kits, threaded studs, flange wedges, hubcaps, wheels for motor vehicle, trailer couplings, trailer hitches, and trailer hitches for vehicles, fluid line, gasket, ball joints, clevis pins, brake lines, bleeder screws, expansion joints, brake systems for motor vehicles, rearview mirrors of automobiles, reflective tape; plastic in bars, blocks, pellets, rods, sheets, tubes or extruded form for general industrial or manufacturing use; hoses for hydraulic tools; patching compound, namely asphalt repair, concrete repair; brooms; brushes for pipes and painters' brushes; squeegees for windows and poles of metal; cable ties, bundling ties cable ties, plastic cable ties, plastic fastening ties, and twist ties, cable tie holders, cable tie mounts, cable clamps and clips.

SERVICES

Retail and wholesale store services and mail order catalog services in the field of tools and commercial equipment, namely, storage equipment, hex capscrews, bolts, nuts, washers, socket products, screws, pins, rivets, anchors, retaining rings, drawer assortment, brass, iron and steel fittings, hydraulic hose, fittings, o-rings, electrical supplies, industrial equipment, specialty maintenance chemicals, welding alloys and welding accessories, cutting tools, abrasives, shop supplies, hand tools, safety products, battery maintenance, electrical equipment and accessories, automotive accessories, fuel and exhaust systems, lubrication, suspension, tire and air, wheel-rim, universal items, equipment for passenger cars, fleet vehicles and other transportation vehicle equipment, and material handling; Distributorship services in the field of tools and commercial equipment, namely, storage equipment, hex capscrews, bolts, nuts, washers, socket products, screws, pins, rivets, anchors, retaining rings, drawer assortments, brass, iron and steel fittings, hydraulic hose, fittings, o-rings, electrical supplies, industrial equipment, specialty maintenance chemicals, welding alloys and welding accessories, cutting tools, abrasives, shop supplies, hand tools, safety products, battery maintenance, electrical equipment and accessories, automotive accessories, fuel and exhaust systems, lubrication, suspension, tire and air, wheel-rim, universal items, equipment for passenger cars, fleet vehicles and other transportation vehicle equipment, and material handling.

Class 09

(1) Scientific, nautical, optical apparatus and instruments, apparatus and instruments for measuring , signalling, indicating position, detection, checking (supervision), security, namely radiodiagnostic apparatus for remotely determining the status of vehicle parts and detecting eventual breakdowns, sonars, lidars, 3D glasses, cameras; electric and electronic apparatus, instruments, materials, and equipment for vehicles, namely controls for headlights, optical, electric, and electronic wiring, including in a preassembled state in particular for vehicles and all elements for transmission, by means of multiplexing, coupling, or other means, of signals (sounds, images, data) or information aboard vehicles, namely cables for transmitting signals (sounds, images, data) by means of multiplexing or coupling for land vehicles; carrier currents; systems providing wireless linkage between electronic devices, namely computer hardware for telecommunications, wireless routers providing linkage between electronic apparatus installed on a land vehicle; electric interconnection boxes; on-board communication networks for vehicles, in particular multiplexed, namely electric cables and optical fibres; on-board electrical, electronic, or optical equipment for vehicles, namely electric cables and optical fibres; connectors, namely coaxial cable connectors, electric cable connectors, cable connectors for the transmission of signals (sounds, images, data), electrical and electronic connectors for terminal boxes, electrical connectors for current converters; interfacial connections, namely USB cables, high-definition multimedia interface cables; electrical, electronic, or optical equipment, aboard vehicles, including land vehicles, for steering, signalling, control, information, safety, and for processing information and signals (sounds, images, data) related thereto, namely on-board-computer-style communication apparatus for land vehicles; position, angle, torque, rotation speed sensors; light source sensors, light intensity variation sensors, light source variation sensors; light source detectors, light intensity variation detectors, light source variation detectors; light source transmitters/receivers, light intensity variation transmitters/receivers , light source variation transmitters/receivers; apparatus for the analysis of light sources, apparatus for the analysis of light intensity variation, and apparatus for the analysis of light source variation, namely illuminometers; devices for adjusting headlamp beams; current converters; supercapacitors ; current rectifiers; diode bridges; electric or electronic regulators; electric accumulators; electric relays and switches; printed circuits; electronic components; diodes and semiconductors; rectifiers, namely diode bridges, electronic lighting modules; on-board and on-ground diagnostic computers; on-board diagnostic systems and remote interrogation diagnostic systems; computer software

systems for downloading software, namely CD-ROMs, magnetic discs, and memory cards containing computer software for downloading and updating computer software, exclusively intended for the automotive industry and the steering of land vehicles and for updating computer software exclusively intended for the automotive industry and the steering of land vehicles; systems for inter-vehicle communication and communication with road infrastructure, namely telecommunications apparatus, namely cellular telephones, telephone transmitters/receivers, cameras, image analysis software; electromagnetic relays; measurement sensors; wiring harnesses; ignition harnesses; remote control systems for the remote start-up of land vehicles or the locking or unlocking of locks and vehicle parts that open (doors, tailgates, engine hoods, sunroofs, fuel tank flaps); electronic badges; electric switches; electrical switches; on-board vehicle computers; navigation aids comprising a compact disc or digital disc player, liquid crystal display screen, microphone, keyboard, speakers, earphones; on-board and on-ground diagnostic computers, namely systems for diagnosing breakdowns or malfunctions, to be used during the servicing, maintenance, and repair of motor vehicles; electrical interrupter switches; electrical control levers; systems providing communication between motor vehicles and a fixed station, namely on-board multiplexed communication networks for vehicles; electronic cards, namely integrated circuit cards consisting of key cards for land vehicles; electronic circuit boxes; electrical connectors; rotating contactors; steering wheel switches; signal units; electronic devices for supplying power to discharge lamps; information media, in particular magnetic or optical, namely blank magnetic discs, audio tape recorders, blank optical discs; talking machines, namely driver warning and information apparatus using voice synthesis; calculating machines, namely calculators ; devices for personal protection against accidents, namely forward and lateral airbags, seat belts, helmets, 3D glasses; printed circuits; integrated circuits; fibre optic cables; coaxial cables; transmitters (telecommunications), namely radio transmitters, telephone transmitters, video transmitters, GPS transmitters, electromagnetic wave transmitters, short-distance radio transmitters ; apparatus for recording distance, namely odometers; information processing apparatus, namely on-board computers for land vehicles; readers, namely computer readers for computer software exclusively intended for the automotive industry, badge scanners; optical scanners for pre-recorded digital compact discs exclusively intended for the automotive industry; computer software (recorded programs), namely computer software for land vehicle management, for land vehicle equipment and parts management, for cameras, for the detection of objects by radar, lidar, 3D glasses; apparatus for measuring distances, namely odometers; modems; monitors (equipment), namely computer monitors; apparatus for satellite navigation, namely global positioning receivers; vehicle navigation apparatus (on-board computers), namely global positioning systems (GPS) consisting of computers, computer software, transmitters, receivers, and network interface units; computers; computer peripherals, namely computer keyboards, computer monitors, computer printers, computer mice, modems; electronic signal transmitters; vehicle steering or operation simulators; electric cards, namely integrated circuit cards consisting of key cards for land vehicles; headlamp beam adjustment devices; light intensity variators, in particular brake lights that vary according to braking pressure; pre-collision detection and collision avoidance systems; light variation sensors; receiving antennas, radio, television, satellite, and parabolic antennas; head-up display screens; lane departure monitoring systems; video sensors; ground marking detection apparatus; apparatus and instruments for processing video images, namely cameras; systems and instruments for the remote guidance of vehicles; systems for blind spot monitoring and lane change assistance; electronic lighting, signalling, and camera management systems; sunglass lenses, polarizing lenses, filtering lenses, tinted lenses, coloured lenses, photosensitive lenses, photochromic lenses; computer software for the operation and control of apparatus and instruments for measurement and optics, namely 3D glasses; computer software for the measurement and display of optical parameters from 3D glasses; optical measurement apparatus, namely optical sensors; eyewear, namely eyeglasses and sunglasses; eyeglasses (optical); eyeglass frames; trial glasses; eyeglass fronts; eyeglass nose pads; eyeglass lenses; corrective power lenses, eyeglass lens filters; devices for adjusting headlamp beams; lighting and signalling systems that use light-emitting diodes, including high-strength systems; directional lighting systems; lighting systems for reducing the glare of other cars' headlights.

Class 11

(2) Lighting installations, namely headlamps for vehicles; headlamp lenses; vehicle headlights; ceiling lights; headlamp incline correctors; lamps, namely lamps for vehicle interiors, lamps installed on vehicle bodies for illuminating vehicle surroundings, infrared lamps, breakdown warning lamps for vehicles; headlamp beam adjustment devices; signal lights for vehicles; signal light indicators; light bulbs; light bulbs for directional signals for vehicles; electric light bulbs; anti-glare devices for vehicles (fittings for lights); light bulbs for vehicle directional signals.

Class 12

(3) Vehicles and apparatus for locomotion by land, namely automobiles; accessories for vehicle equipment or ornamentation, namely windshields, glass; windshields; windshields integrating a display for data and images; headlamp washers; headlamp wipers.
